

Primary Physical Education and Sport Premium 2021-22

'Evidencing Impact and Accountability'

What is the Sports Premium?

The Government is providing funding of £150 million per annum to provide new, substantial primary school sport funding. This funding is being jointly provided by the Departments for Education, Health and Culture, Media and Sport, and sees money going directly to primary school headteachers to spend on improving the quality of sport and PE for all their children.

Purpose of funding

Schools have to spend the sport funding on improving their provision of PE and sport, but they have the freedom to choose how they do this. We have allocated the funds in a way which is aimed to develop staff skills and children's passion, enthusiasm and capability for physical activity. In this way, we are making a sustainable impact which will last beyond this academic year and that we can build upon in the future.

PE and Sport Premium 2021/22: £17,880

Focus	Evidence	Effective use of funding	Amount spent	Intended impact
<p>To develop the physical literacy of children in school.</p> <p>To give additional coaching to teams that are entering inter-school competitions, so they achieve greater success, thereby raising the profile of sport across the school.</p> <p>To support teachers in planning and delivering high quality PE lessons</p>	<p>Progress in measures of fitness levels for all children, especially those identified as 'dis-engaged'.</p> <p>Planning</p> <p>Success in inter-school competitions.</p> <p>Staff confidence and competence, as recorded in observations and questionnaires.</p>	<ul style="list-style-type: none"> Release PE leader from class, when required, to work with target children, coach teams prior to competitions and to support teachers with planning and teaching of PE lessons. To introduce physical literacy as first term P.E. – this will identify children who are struggling in this area and need additional support. 	£1,500	<ul style="list-style-type: none"> Enhanced, inclusive curriculum provision More confident and competent staff Enhanced quality of teaching and learning Increased capacity and sustainability Higher skills and performance levels from teams entering inter-school competitions
<p>To use physical activity to inspire and engage learners in cross-curricular learning.</p> <p>To model to teachers how learning can be more active across the curriculum.</p>	<p>Pupil behaviour records</p> <p>Pupil questionnaires</p>	<ul style="list-style-type: none"> To continue outdoor education as a weekly session for KS1 & 2 classes 	£4,700	<ul style="list-style-type: none"> Increased engagement and fitness from pupils Enjoyment of a experiences Increased self-discipline and self-esteem from pupils. Greater resilience demonstrated in other lessons.
