

The w'ONE'ders!

Year 1 newsletter – September 8th 2023

Welcome back!

The whole year 1 team want to say a HUGE well done to an amazing start to the year. Ms Wolfenden and Mrs Main have done a fantastic job settling all the children back into school. They have been keeping me informed on a daily basis and MsW says they are the absolute best at listening and lining up. I will be returning shortly once I get then all clear from the doctors – I can't wait!

Autumn Themes

To start the year we will be looking at:

English – The Colour Monster

Maths – Place Value to 10

Science – Materials

History – How am I making history?

Art – Spirals

PE – Fundamentals and ball skills

History – How am I making history?

Our first theme is teaching the children about living history and how significant events shape our lives. Can the children please bring in a picture of themselves as a baby and a few of the important events they have celebrated so far...

PE and Outdoor Ed

A reminder that the children come to school in their PE kits as this saves time changing and means more time getting physical. They need trainers but if in the hall they will be barefooted. Our PE days are: Tuesday & Friday.

Outdoor Ed will take place on Tuesday

Reading

Please make sure your child is reading 3x a week as a minimum.

Children are bringing home their reading diaries so you can always jot a note in there for us to see!
