PE Fundamentals and ball skills

Outdoor Education

Cave painting

Tool making

Fire pits

THE TRI WIZARDS

Welcome to the Tri Wizards!

Welcome to the start of what we anticipate to be a magical year! Children have settled in well and have taken to Key Stage 2 with great gumption. Long may it continue!

Theme: This half term we will focus on Stone age with an abundance of gestural art, link texts to Stone Age and beyond and many hands on activities. We can't wait to get started! If you have anything for our working wall, please feel free to bring it in!

Homework: In Year 3, children will have logins to Bug Club to access reading for fluency which informs assessment and comprehensions. Children are also invited to select a book of their own from our class library and/or the school library. These have been specifically selected for children to enjoy and read for pleasure. There is an expectancy of 3x reads at home per week, with minimum one of these reads being on Bug Club to build fluency. Children completing these read and recording it in their fairies each week will receive an extra play time for their efforts. TTRS logins are being reviewed and will be with you shortly. Children are asked to access this atleast once a week with a particular focus on 2,5,10,3,4 and 8. Please keep an eye on Seesaw for any messages/activities children can access if they choose to.

Welcome meeting 14th September @ 3.30pm

If you have any questions or concerns please do not hesitate to speak to us or email the school, our door is always open!
