

# Reception class news

We are the Bumblebees

1st March 2024

Next week, we are celebrating World Book Week. Please note that on **Thursday 7th March**, Reception class will be holding a booky breakfast in the hall between 9-9.30. You are more than welcome to come and share a book with your child and enjoy a tea or coffee (if you can bring a lidded cup even better!)  
Have a great weekend!

This week's **gold cards** is...

**Dolores**

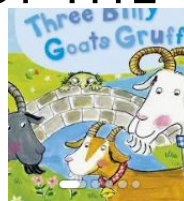

For always being a kind, caring and helpful member of the Bumblebees.

This week's **writer of the week**

**Ivy**

For trying so hard with her sentence about our story.

## BOOK OF THE WEEK..

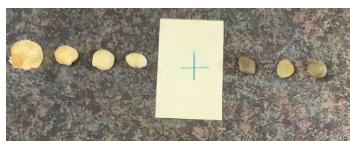

We have talked about traditional tales being stories that have been told for many years. We have loved joining in with this story and even made our own settings. Our vocabulary this week was; tasty, journey, in the distance, demanded, appeared, excitedly, gobbled and grumbling. We have enjoyed acting out this story inside and outside.

**PHONICS** .. our sounds this week are **ar (start)**, **or (fork)**, and **ur (church)**. Our tricky words is **you**. Activities will be sent home next week.

## MATHS..

We have been combining amounts to find out **how many altogether**. We have used 1:1 counting and our knowledge of doubles to help us. We have also been sequencing events in time order using words such as now, next, then and after.
