The Riccall Roundup

Welcome to this week's Riccall Roundup!

Thank you to everyone who has followed us on Facebook and Instagram over the past week. If you have, you will have seen some fantastic photos of our children in action this week. Well done to all of the children in Year 6, who took part in Bikeability this week. It was fantastic to hear of how successful you were and how well you represented our school.

Car Park and Traffic plea!

To ensure the safety of all children and families during our peak drop-off and pick-up times, please be reminded that the school car park is closed to the vehicles of parents or carers during the following hours:
Morning: 8:30 AM – 9:05 AM
Afternoon: 2:55 PM – 3:25 PM
This restriction applies regardless of whether the entrance gates are open or closed unless the parent or carer has a blue badge. Following a number of recent traffic issues along Coppergate since the start of term, we respectfully ask that parents, carers, and grandparents refrain from driving down Coppergate or attempting to enter the car park during these designated times. We greatly appreciate your cooperation, patience, and support in keeping our school community and local roads safe.

Dolls

Nursery would welcome any donations of dolls. If you have any pre-loved dolls that are no longer played with, please bring them into school so we can give them a new lease of life in Nursery!

Riccall Wildcats Girls' Football is launching!

Starting 29th September, we're excited to welcome girls in Years 3-6 to come along, have fun, build confidence and develop their football skills.

Mrs Northern and Miss Cameron are passionate about women's football and raising the profile of girls' football, and we want to create opportunities for girls in our local community to get involved. You don't have to attend Riccall School to join us – all girls in Years 3-6 from the surrounding area are welcome!
📅 Starting 29th September
